We are looking for an inspirational and creative manager to work with us at Birdhurst.

You will focus on maintaining a strong and passionate team of Early Years Educators, consistently looking for ways to develop and maintain a high quality of care for each and every child.

We want someone who can jump on board with **our vision for the future!** We aim to further grow our Forest School provision and develop services for our parents such as evening classes on parenting, budgeting, EFL etc.

If you have a wealth of experience and enthusiasm for working with under 5s, know how to lead and motivate a team, are excited about making changes and can manage the demands of a busy Early Years setting.....get in touch with us today!

Are you able to...

- Build caring relationships with our children, families and staff
- Lead our team to be their best through your guidance, passion and drive
- Communicate clearly with your team and the families
- Ensure our setting provides high-quality, educational childcare
- Evaluate and make improvements to the setting on a continuous basis
- Be a supportive role model and leader

Expectations:

- Excellent knowledge of 'Birth to 5 Matters', child development stages and the EYFS
- Full and relevant L3 or above Early Years qualification
- Sound knowledge of safeguarding best practice, health & safety and confidentiality systems
- Excellent knowledge of the preparations and responsibilities for Ofsted
